

Zon Directory

- Like Twitter+Kindle+LiveJournal+Dmoz+ seamlessly integrated
- Aim to never delete a post
- We pay authors
- Advanced affiliate program
 - for leading to us buyers
 - for leading to us sellers
- Every item (post, link, other folder, etc.) is in one or more folders.
 - Two kinds of folders: owned and communal.
 - Folders with subfolders can be new Dmoz.
- Implemented using Internet Computer blockchain.
 - Both backend and frontend on-chain.
- We order items in folders in three ways:
 - by order in time
 - by user voting
 - by how many was paid to us (ads)
